

Clara Juana Khumalo

Region: Johannesburg, Gauteng, South Africa

Education

- WeThinkCode NQF LEVEL 5 Higher Certificate, Systems Development (September 2022 - December 2023)
- Eldorado Park Secondary School
National Senior Certificate, High School/Secondary Diploma (January 2016 - December 2020)

Experience

Online Part-time Programming Tutor (Superprof)

February 2024 - Present (3 months)

As an independent programming tutor, I introduce beginners to Java, Python, and JavaScript, covering all fundamental concepts. I combine theory with hands-on exercises, fostering a supportive environment that encourages curiosity and builds coding confidence.

Online Part-time Afrikaans Tutor (Superprof)

October 2023 - Present (7 months)

I support primary school students in mastering Afrikaans basics, tailoring engaging lessons to their learning style and pace. I focus on vocabulary, grammar, and conversational skills through interactive activities, aiming to build confidence and foster a love for the language while ensuring academic success.

Online Part-time Coding Tutor (Cheery Robot Academy)

March 2024 - Present (5 months)

As a part-time Coding Tutor at Cheery Robot Academy, I am dedicated to inspiring children of all ages to learn coding through engaging and interactive lessons.

Introduction to Java Course

Introduction to SQL (SoloLearn)

WeThinkCode_

Confirmation letter of NQF 5 Certificate Issuance for the cohort of 2022

26 April 2024

Dear Hiring Managers and Potential Employers,

I hope this email finds you well. As representatives of esteemed organisations, your interest in hiring talented individuals is commendable. We appreciate your consideration of our recent graduates, who completed the WeThinkCode curriculum as part of the cohort of 2022.

We understand that NQF 5 certificates play a crucial role in the hiring process, especially for internships and permanent employment. Rest assured that we are diligently working on expediting the issuance of these certificates.

As soon as the certificates are ready, we will notify the WeThinkCode_ graduate via email. We value your patience and understanding during this process, and we remain committed to providing timely updates.

Should you have any specific inquiries or require additional information, please feel free to reach out to us directly by emailing accreditation@wethinkcode.co.za

Thank you for considering our graduates for potential opportunities within your organisation.

Best regards,

Ayanda Mda
Director of campuses, Johannesburg

Official WeThinkCode_ Student Academic Transcript

Student Name:	Clara Khumalo

Module3	MobileDevelopment	4.6
Year 2 Final Score		3.94
Final Outcome		
Pass		

WeThinkCode_ (Holdings NPC) hereby certifies that these are the official results for {{(name)}}. {{(name)}} with ID NUMBER {NUMBER} has successfully concluded the 16-Month software engineering course with WeThinkCode_.

Performance Scale Descriptors

Performance Scale Descriptors					
Level	5	4	3	2	1
Outcomes	Exceeds Expectations	Above Expectations	Meets Expectations	Below Expectations	Expectations not Met

Exceeds Expectations: student is able to submit project requirements well in advance before the deadline. Grading was passed/correct on the first attempt.

Above Expectations: student attempted grading twice before the deadline, but passed on the second attempt before the deadline.

Meets Expectations: student is able to submit projects on time and pass at the required level.

Below Expectations: student is below expectations, attempted grading and submitted after the deadline, and passed.

Expectations not Met: student attempted to submit after the deadline passed/failed and this indicates that major development is required. Students should make use of the interventions available to improve performance.
